

EJECTOR SEAT ARTS

Submission Themes for Festival.

The EjectorSeat Arts Festival will be held on June 5th, 2010, within Palmerston Park and hold a Music Stage, Film Tent and Arts Market. Using the Park as an open air Gallery, the aim is to celebrate and promote local artists in a unique and exciting atmosphere, for the public to enjoy for free.

There are several opportunities for Artists to display their work.

- The Park will be turned into a Gallery. With pictures hanging from Trees, lamps and other Park furniture.
- The Film Tent will house a sheltered gallery, displaying works on its walls.
- Images will be projected onto the Film Screen in-between short film sessions.

If you are an artist and you want to contribute, submissions should take influence from our themes listed below, allowing the collection to be cohesive.

Birds – To represent the park space.

Boats – To represent the local heritage and sport.

Drums – To represent the creative elements at the festival.
